NO. 51

INTERESTING ITEMS FROM EL VERANO AND SONOMA.

Weekly Record of all the Happenings in the Valley as Faithfully Recorded by Our Wide-Awake Reporter, "Archie McKiver."

Geo. McNab was a Sonoma visitor to Santa Rosa last Saturday.

Mrs. F. A. Riser of Oakland visited the Bigelows several days last week.

Joe McDonald, a San Francisco fireman, is registered at the Swiss-American Hotel.

Nels Long, automobilist at Boyes, has purchased a new Auburn 1913 car which is a beauty.

Miss Tina Bomhoff of Santa Rosa visited Mr. and Mrs. O. T. Wilkin-son at their home here Sunday.

Chas. Paine, the well-known and popular photographer of Boyes Springs, was in town recently with his motorcycle.

James Baines, President of the El Verano Development Association, transacted business in the metropolis last week.

A. Birdsall and son of San Francisco are guests at the French Cottage. He is connected with the Sheriff's office in San Francisco.

The trustees of El Verano grammar school are considering the question of employing a third teacher the coming term.

M. F. Mullen is having his barn, outhouses and fences whitewashed around his store, which will greatly improve the appearance of the property.

Everybody is doing it. Chaf-fur Harry Baines blew into town from San Francisco the other day with a new Overland, which is some car.

Tony Serres, manager of Alder Glen Springs near Cloverdale, was here Saturday. He pronounces everything flourishing in the northern part of the county.

Gus Lindaner and son of San Francisco were here Monday. Mr. L. is one of the biggest livery stable men in the metropolis and came here to contract for the delivery of hay.

Harry and Leo Baines, accompanied by lawyer Sprague, Judge Campbell and Dan Singleton, autoed to the scene of the disastrous train wreck near Napa Junction last Friday, and describe it as an awful mix-up.

All hands in the El Verano lumber yard are busy this week unloading carloads of lumber in both the Southern Pacific and North-western Pacific railroad yards. By the looks of things business is good in the lumber line.

Posters are out announcing the race meet of the Sonoma Driving Club in that city on July 4th. Big interest is being taken here in the coming event and El Verano will be represented by a big delegation of citizens on the race track on that day.

The public funds that will be wasted on the proposed recall election to retire Supervisor Weise should be put upon our county roads. It will only be a matter of form going through the recall election as Mr. Weise will defeat his opponent by a tremendous majority.

Miss Charlotte Onerel and the Misses Agnes and Tina Burke of San Francisco are guests at Boyes Springs. The girls came here one day last week accompanied by Johnnie Bacigalupi, clerk in Graham's store, and broke the news that Johnnie was the candy kid at Boyes and some ladies man. We agree with the girls.

Bigelow, the recall agitator, made a mistake when he neglected to make himself the recall candidate for Supervisor. Mr. Kilgore is a stranger here while Guy is known to everybody and by digging down into his pockets could easily make himself believe he could be elected by making a canvass of the voters, just as he did in the wet and dry election last year. Such a scream!

A good game of baseball was played on the El Verano diamond Sunday. The Colts battled against the Foothill nine. John Basilou's ball twirlers were too strong for the visitors with a score of 11 to 2 in favor of the Colts. The El Verano boys did good work in the initial game of the season and will play better ball with a little more practice. Manager Basilou will shortly challenge the Sonoma team to play for a side bet.

J. Kidd of the Bay City is a guest at Paul's Resort.

Patrick Kearney of the metropolis is a guest at the Kearney residence.

Charles Hadley, an employee of the Union Iron Works, San Francisco, visited here Sunday.

There were a 150 guests at the El Verano Villa Sunday from the different cities around the bay.

H. Laux, well-known saloon man of Sonoma, passed through here Monday morning en route to Oakland and the city.

It is rumored that one of Boyes Springs society chaps has been captured by Dan Cupid. The happy bride-to-be is at present residing here.

A voter who hails from Kenwood, the home of Kilgore, boss Bigelow's candidate for Supervisor in the proposed recall election, was in town the other day cheering for Supervisor Harry Weise. He claimed Kilgore was so dry that if he had his way he would turn the large water tank of the S. P. Co. here upside down and make that dry, too. This from a well-known citizen and a friend of Kilgore's, too, who claims that he would dry up even the wells if elected.

There is a small war raging between the school trustees of Glen Ellen. A petition was recently circulated in that town to oust Miss Lottie Howard, who has served three terms as teacher of the school. The petition had very few names attached to it and it is said that only one of the three trustees favored Miss Howard's removal. G. E. Smith, a well-known citizen of Glen Ellen, is circulating a counter petition to retain Miss Howard, and as she is the most popular teacher Glen Ellen has ever had there is little likelihood of her removal from a position where she has more than made good.

Frank Labaye of San Francisco visited his folks here Sunday.

James Lewis Oliver of Berkeley is the guest of Mrs. L. L. Lewis.

Chas. Mullen, a San Francisco politician, is rusticated at one of our local resorts.

Mrs. L. Manry and daughter, Miss Helen Manry, are guests at the French Cottage.

Miss Elsie Langraf, a charming young lady of San Francisco, is registered at the Swiss-American Hotel.

Emile P. Lounibos, wife and family, were here Tuesday to attend the funeral of Mrs. Lounibos's mother, Mrs. L. Lubas.

Sam Stahl, bus driver for Fest's Farm, is another who seems to have the marriage bee a-buzzing in his bonnet. Cards later.

The result of the ball games in the valley Sunday were as follows: Crockett 0, Boyes Springs 3; Glen Ellen 1, Cotati 3; Sonoma 12, Petaluma 4.

A. H. Kemp, formerly principal of our Grammar School, left for his home in Chico last Monday morning. Mr. Kemp has been here for a number of years and consequently he will be greatly missed by his many friends.

The Sonoma Vista Land Company has been selling a great many lots in its tract of late. The large bridge contemplated over Sonoma Creek will soon be erected and it is the aim of the company to open a road to El Verano, which will make the distance to Boyes much shorter.

Archie McKiver has discarded his Panama hat as it was becoming too conspicuous to some of the people who were claiming they'd get him. In future, brother reporter Art Hickman, Archie will appear with a plug hat. "Mum is the word."

Mrs. L. Lubas, wife of a well-known farmer here, and one of the oldest residents of this place, died at the Lane Hospital in San Francisco last Saturday. The remains were shipped here Sunday, the funeral taking place Tuesday in the presence of a large number of relatives and friends who paid a last tribute of respect to the deceased. She is survived by a large family.

Henry Norrbom, wife and children, autoed to Vallejo Sunday and spent the day with relatives.

Frank Pistolesi, a San Francisco insurance man, was the guest of his folks Saturday and Sunday at their new bungalow west of town.

Mrs. Sullivan and her son Steve are guests at Miller's. Steve is a chip of the old block. His father is ex-President of the Board of Police Commissioners of San Francisco.

It looks to the writer as if Archie McKiver is getting some of those half wet and half dry politicians off the fence where they have perched for so many moons. Two faced politics is done for here.

Billy Block, Vallejo's only sport, was amongst us Saturday evening. Bill's ragging is keen and the Frisco dolls were all asking Archie McKiver who Easy Jim's portage was. They are all just wild to dance with Willie.

E. Steiger of Agua Caliente was in town one day last week looking for an automobile, which he claims nearly ran into his rig on the county road. He had the number of the car but failed to locate it in these parts.

There were three birthdays celebrated at the Wyatt home west of town Sunday. Wm. Wyatt and son Claude, and Louis Hummel of the metropolis all had birthdays falling on the same date so a sumptuous dinner was given in their honor and a jolly day was spent.

An article in last Saturday's Santa Rosa Republican on the Bigelow recall election was read with interest here. It now looks as though the people of the outside districts have got the would-be reformer and agitator sized up all right. Evidently the editor of the Republican knows what he is talking about.

Bigelow, in his venomous sheet of last Saturday in writing up his recall convention and telling who was there, goes on to say it was made up of Democrats, Socialists, Republicans, Progressives of both the old parties, women delegates, Jews, gentiles, etc. What about the Japs, Mr. Bigelow? It is the first time you ever overlooked the little brown man. It's a wonder it was a success from your standpoint without his presence.

John Vincent and family motored to Santa Rosa and Petaluma Sunday. Walter Poulsen was at the wheel.

It's the wet and dry fight over again. Bigelow's aim is to dry up the valley, so all should work hard against his prohibition candidate.

Lord Thomas Roberts of England is registered at Miller's Villa. He likes this valley very much and intends to build a residence here as he will remain in California until the close of the 1915 Exposition.

Elmer Kilgore, the recall nominee of the trouble-breeder and sore-head of the Sonoma Valley, must be hard up to get an office when he allowed a few soreheads to coax him into accepting the nomination against Supervisor Weise. J. K. Bigelow, who is heading the movement to recall Mr. Weise is going against his own politics in this matter. At the last election he urged the passage of the thirty-five room or roadhouse ordinance which was adopted by the people and as Supervisor Weise followed out its provisions he now seeks to recall him for doing so. The head and front of Mr. Weise's offending is that he refused to submit to Bigelow's dictation. What a trimming Kilgore will get if the election is held, as the people are with Mr. Weise and against this recall farce.

ARCHIBALD MCKIVER.

El Verano, June 24, 1913.

Sad Case of Insanity

A rancher named Biccini, living on his mountain farm west of Glen Ellen, was taken into custody by Deputy Sheriff Joe Ryan last Monday night and charged with insanity. Biccini was taken to the county jail in Santa Rosa pending his examination by a lunacy commission.

His dementia takes the form of a hallucination that twenty-two men are seeking his life. The unfortunate man has a wife and large family of children.

Bear Flag Monument Committee

At the recent meeting of Sonoma Parlor, No. 111, N. S. G. W., the following were appointed as members of the Bear Flag Monument Committee: M. E. Cummings, chairman; Wm. von Hacht, Harry Shaw, J. H. Murray and Jesse Prestwood.

Wm. Burke died at Boyes Springs last Monday. The deceased came to the valley for the benefit of his health some weeks ago. He was a native of Ireland and aged 19 years. The remains were shipped to his home in San Francisco for interment.

Mr. F. L. Cottle, for a number of years superintendent of Rudolph Spreckels' Vista ranch near this city, has resigned his position and accompanied by his wife has gone to Amsterdam, Mexico County, where he has purchased a big farm. The departure of this worthy couple will be sincerely regretted by a large circle of their Sonoma Valley friends.

The promenade concert and dance given under the auspices of St. Barbara's Guild of the Episcopal Church, on Friday evening of last week in Union Hall, was well attended. Between dances there were vocal solos by Mrs. R. E. Lynch, Mrs. Ralph Hotz, Alfred Jansen and others, all being beautifully rendered and receiving much applause. Cards were also a feature of the evening and delicious refreshments were served. The music was furnished by the Bateman-Knolle orchestra of five pieces and dancing was in full sway up to 12 o'clock.

E. A. Cushing, a visitor to Agua Caliente Springs Hotel, died at that resort last Monday night. The remains were shipped to his home in Oakland for interment in one of the cemeteries of that city. The deceased was a native of Canada and aged 63 years and had been in the employ of the Standard Oil Company for many years.

Baseball Player Breaks Leg.

Jack Canevari, a right-fielder of the Glen Ellen baseball club, while essaying to slide to second base in last Sunday's game on the Glen Ellen diamond, broke his right leg near the ankle. The proceeds of the game to be played on July 4th on the Sonoma baseball grounds between the Sonoma and Glen Ellen teams, will be donated for his benefit.

Card of Thanks.

I wish to express my sincere thanks to the Sonoma Fire Department and the citizens of Sonoma generally for their kind assistance on the occasion of the burning of my home on Friday afternoon of last week and saving my household effects and outbuildings. PAT CASASSA.

Convention of Soreheads.

The recent recall convention which met in Woodman Hall in this city to oppose Supervisor Harry Weise at the behest of J. K. Bigelow, who became peeved because Mr. Weise, as a member of the Board of Supervisors of this county, refused to be dictated to by him, was really and truly a convention of soreheads.

The convention was called together by J. K. Bigelow, who was defeated for Supervisor by Blair Hart four years and a half ago.

It was presided over by "Senator" Murphy, also a disappointed office-seeker.

Its nominee for Supervisor, Elmer Kilgore, was a candidate on the Republican ticket for the Assembly at the last primary election, and was elected to stay at home, the office going to Herbert Slater at the November election.

Now, with this showing it ought to be patent to our taxpayers who have to foot the bills of this threatened recall election that the whole business of recalling one of the best Supervisors this district has ever had has been inspired by disgruntled, disappointed sore-headed office seekers who now aim to get even with a successful candidate and the people who voted for him at the expense of the taxpayers of Sonoma county.

"Wise Men Change Their Minds Sometimes---Fools Never."

The aphorism which heads this editorial is as true as it is apt, and reminds one of the political activities of that ambitious local politician, J. K. Bigelow, and his one-time followers in this valley.

With a loud flourish of trumpets this would-be leader made his appearance upon the political horizon as a reformer. At the outset he attracted quite a following of people in this valley who really took the man seriously. Having sought the office of Supervisor and being unsuccessful, he proceeded to vent his spleen on the saloon element, whom he claimed encompassed his defeat, and in his egotism sought to put it out of business by agitating and securing a wet and dry election in this Supervisorial district. In this he was more badly worsted than he had been in his Supervisorial campaign. He then became a chronic sorehead and as such is now seeking the recall of Harry Weise, who so far has made good since assuming office as Supervisor last January and whose only offense has been to refuse to take program from dictator Bigelow.

In his previous political contests this would-be dictator of local conditions had somewhat of a following among the citizenship of this Supervisorial district. This following has now faded away to practically nothing, which goes to prove that "wise men change their minds sometimes—fools never." This being a fact and as the citizenship of Sonoma Valley is not composed of fools, although one may be found here and there, it is safe to assume that Bigelow for one at least will never change his mind and can be counted upon to follow his own self-opinionated leadership. So mote it be.

Studebaker

"I've had my Studebaker 15 years—and not a cent for repairs"

A word of just praise for a wagon that has done its work faithfully and well. Men become attached to their Studebakers—proud of them. Because they realize that a Studebaker is built on honor and with an experience in wagon building that dates back to 1852. Studebaker wagons are a result of that long experience, coupled with a desire to build the best wagons, not cheap ones. And when your dealer says "Buy a Studebaker—there's no better wagon made" he's giving you the verdict of a million farmers. He is not asking you to try an experiment.

Easy Jim: I was up in Sonoma on Tuesday afternoon and I was surprised to see so many of your fair assistants. Ethel Eastlake had quite a chat with her Willie, but I lost track of Fannie Ferndale and the rest of the bunch. They may have went to El Verano to see Archibald McKiver, so I see I will have to help you out this week.

There was a meeting of the Five O'clock Tea Club. I thought it would be a social affair, but I found out different. It was a special meeting called to endorse the reelection of Supervisor Harry Weise. Twenty-two fair voters are solid for Harry. No "Guy" by name nor no "Guy" by nature can stop them. Look out below.

I hear that two of our fair maids are engaged to be married. Say, girls, engaged is one thing but being married is another. I heard you were engaged two years ago, so you don't take long to make up your mind. Get busy or get left.

Our Mayor, John Murray, intends to go into the race horse business and on Sunday last won a race at the Sonoma track which entitles him to be classed with the higher ups. Look out for Jack, Joe.

Messrs. Fred and Arthur Batto started on Wednesday morning in their auto to motor in Contra Costa county for two days. After visiting friends and relatives in Concord they will take in all points of interest in the county. They had as guests, Mrs. Amelia Pera and two children, Miss Rosina Basaglia and Master Frederick Batto.

Victor Beratta and James Modini, two well-known citizens of the Bear Flag city, bought a motorcycle for the express purpose to go to Vineburg and visit Jim Small. They left Sonoma, but sold the motorcycle next day at a profit. Jim never saw them.

CASE WAS THROWN OUT OF COURT.

There Being No Evidence to Show That Mrs. Fetters Had Tried to Get Mrs. Richards Guests Away From Her the Case is Dismissed.

A warrant was sworn out the latter part of last week by Mrs. Theo. Richards of Agua Caliente against Mrs. Geo. Fetters of Fetters Hot Springs, charging the latter with falsely representing herself as the proprietor of the Agua Caliente Springs Hotel. The case was ventilated in Justice Leopold Just's Court in Glen Ellen last Tuesday. Mrs. Richards being unable to substantiate her charges, the case was dismissed.

Mrs. Fetters, who has retained attorney Cowan of Santa Rosa, claims her arrest was caused by Mrs. Richards in a spirit of business rivalry and without one iota of evidence to substantiate her charges and she will bring suit against Mrs. Richards for \$15,000 damages.

Congregational Church—Children's Day—June 29th

Morning service 11 a. m. The parents ought to have a good reason for absenting themselves from church on Children's Sunday. The same duty remains that is with every Sunday, but on this day the parents love should be strong enough to help the child get started right on the journey toward the highest and best things. The great unrest in the world today shows that the human race wants something it does not enjoy. More power to it. Let the unrest increase. It is the children of today that must make the progress of tomorrow. Come and help for progress in the times to come.

Evening service 8 p. m. Trees remind us that the same truth that is in heaven is also on earth. Whatever is true here, whatever is law here will be in eternity. Spiritual law is in the natural world. Two and two will never be three as some men talk and it will never be five as some men hope. In the evening service come and listen to what the trees say.

If you want the best out of life give the best to God. All take and no give killed the hen that laid the golden eggs. You can not be right by proxy.

T. M. PRICE, Pastor.

Preliminary Survey of Black Point Cut-Off Has Been Completed

Surveyors Thos. Lewis and R. Press Davis, employed by the El Verano Development Association to make a preliminary survey of the Black Point cut-off, have completed their task.

Their report which has been handed into the association shows a feasible route and that the cost of the road, bridges, etc., will not be near as great as was at first supposed.

Now that President Baines and his fellow members have started in to give the people of Sonoma, Napa and Marin counties the benefit of the Black Point cut-off we are sure we make no mistake in saying that is sufficient guarantee of its being an assured fact. The El Verano Development Association does not believe in starting something it cannot finish.

FIRE ON FRIDAY OF LAST WEEK.

Destroys a Two-Story Dwelling in the Eastern Suburbs of Town.

A two-story dwelling on the old Fowler place situated in the extreme eastern part of this city, was completely destroyed by fire on Friday afternoon of last week just after the Index-Tribune had gone to press. The house was owned by parties living in San Francisco and was occupied by Pat Casassa and family.

The cause of the fire was a flying spark from a chimney, which fell on the roof and set the shingles ablaze. The fire department turned out together with hundreds of citizens, but as there was no water on the premises the flames could not be stayed and the dwelling burned slowly down. Considerable furniture was saved, but the dwelling was a complete loss.

GREAT RACE MEET ON JULY FOURTH

The Sonoma Driving Club Will Strive to make it the Biggest Ever—Some of the Horses that Will Contend for the Purse

BY HARRY BELL

The Sonoma Driving Club will give a grand meeting on the 4th of July at which it will present to the horsemen purses which will approximate \$500. The horsemen of this city, who comprise some of our most substantial business men, are lending their every effort to make the meeting a success.

Sonoma county, as is well-known, is the home of the world's champion, Lu Dillon, 1.58 and a hundred others, too numerous to mention.

Some of the well-known horses that will be here are Modicum, Happy Dentist, Sweet Princess and a dozen others. William Newman, the popular wholesale butcher from San Francisco, is here with the Queen of the Stadium, Kitty D., 2.08. "Billy," as he is familiarly known among the horsemen, will pilot this baby in her race in the 2.20 class. Jimmie Andrews, more familiarly known as "Razor Pete," is in charge of this popular mare and has her looking in grand shape.

"Jack" Murray, the well-known Vineburg blacksmith, has a very nice mare, Red Wing, which is entered in the 2.40 class. This filly, although green, is very likely to prove a surprise party. James Andrews, (Razor Pete) who has ridden over every track in the United States, and was considered the peer of riders, will have the mount on Coney Island, Sonoma's favorite thoroughbred, and the spectators will be treated to some spectacular horsemanship.

The Coming Three-Days Fiesta.

"The Valley of the Moon Fiesta," which will be held on the Sonoma Plaza on July 3d, 4th and 5th, under the auspices of the Sonoma Valley Woman's Club, will present many unique features for the amusement of visitors. The festivities will start in Thursday evening with the coronation of the Fiesta Queen, band concert, open-air dancing, etc.

On Friday there will be a big parade in the morning, an oration by Hon. Clarence F. Lea. Ten cash prizes will be awarded to participants in the parade, as follows: First prize, best decorated float, \$10; second prize, second best decorated float, \$5; best decorated auto, \$10; second best decorated auto, \$5; best feature, \$5; second best feature, \$2.50; best decorated bicycle, \$2.50; best horseback rider (lady) \$2.50; best horseback rider (gent.) \$2.50; best decorated carriage \$5.

The day's festivities on the Plaza will conclude with a ball in the evening in Union Hall. On July 5th there will be a Rogues Parade, confetti battle, music and dancing.

Mayor Cummings Has Pen With Which Governor Signed Monument Bill

Assemblyman Slater, who introduced the Bear Flag Monument bill in the lower house of our Legislature and secured its passage, has forwarded to Mayor M. E. Cummings of this city the pen with which Governor Johnson signed the bill on Monday night of last week. Mayor Cummings, who is a prominent Native Son of the Sonoma Parlor, was one of the few who started the movement to have a monument erected on the Plaza of Sonoma to commemorate those stirring times of 1846, prizes the memento highly.

DOMESTIC TRAGEDY IN SANTA ROSA.

Husband Kills Wife and then Attempts Suicide—The Victims are Mr. and Mrs. C. Butts.

In a fit of jealousy Claude Butts, a cement worker, shot and killed his wife Sunday night in Santa Rosa and then attempted to commit suicide, inflicting a fatal wound near his heart.

Since their marriage, four years ago, Butts has been almost insanely jealous of his wife. The incident which led up to the tragedy started in a restaurant, where Butts and his wife, together with his wife's mother and Tony Flupe, had gone to dine. While there a man named Dore entered and Butts thought he addressed remarks to his wife.

A quarrel followed, which was quickly checked by Policeman Rangan.

Mrs. Butts then went to her mother's where her husband followed her and requested her to accompany him home, which she refused to do.

Butts then returned to his house, got a rifle and came back, and again asked his wife to go home with him. When she again refused, saying she was afraid, he calmly wished her goodbye, and going around the house he fired at her through the window. The bullet entered her neck cutting the carotid artery. Butts then went a few blocks from the place and shot himself.

On hearing the shooting, Dore ran into a saloon and so far has not been located. Witnesses of the quarrel in the restaurant say he made no remarks as Butts claimed.

Claude Butts was a young man who had been raised in Santa Rosa and was a stepson of W. S. Barnes, a well known local capitalist. He was a nephew of Attorney Thos. J. Butts and cousin of Deputy Tax Collector T. Virgil Butts. He was an industrious youth, a cement worker, and was employed by A. Landis.

BOYES HOT SPRINGS HAPPENINGS.

By Art Hickman.

Without a doubt the largest attendance ever experienced by the Boyes Springs management was last Sunday when Crockett, the little town that supports the Cal. and Hawaiian Sugar Company's plant, successfully accomplished an excursion and a day of outing that would make many a large metropolis look with envy to see the way they turned out. Over five hundred strong toured via S. P. from Crockett to Boyes, bringing with them the lively ball team that floats the emblem of "Crocket" and when the mob left the seven big coaches and filed down the road to find a suitable place to launch their basket picnic that was arranged previously, it was a sight to behold. Five hundred with as many different colors in clothing and parasols marching to a band from Crockett started the day off, that looked quite disastrous in the early morn but turned out a most perfect day, thanks to old Sol. The day started with a forenoon concert on the club house veranda, lunch followed then the liveliest ball game ever witnessed was played in one hour and 12 minutes on Boyes diamond with a score of 3 to 0 in favor of Boyes. All during the game the other places of amusement were taxed to capacity, especially the dance pavilion and the swimming tank. After the game was over an immense crowd hid themselves to the swimming tank to see a very pretty performance given by Mrs. Terie Desch, the young lady swimmer who claims the laurels for skill in fancy spring board diving and short distance swims. She also showed the numerous spectators the stroke she would use in her 4th of July meet of all swimmers, and received hearty applause for her speed. Her exhibition was quite a treat and will be repeated next Sunday after the ball game between the locals and the Olympic Club of S. F.

Besides the largest excursion that ever ventured to the resort, another aggregation that carry the name of the "Raddish Club" were present. This body of men consisting of 70 of the most brilliant minds in the bay cities toured to the Springs on Saturday bringing with them their own "chef" who could tickle a sultan's palate and after arranging an open air dining room in one of the beautiful groves of "Boyes Springs Park" they sat down to a spread that lasted over two hours and much vintage flowed. Angelo Byrne, "Pop" Rochat and others of the committee were responsible for this joyful outing. Among the Crockettites that were prominent were Mr. Sherman, Superintendent of the Cal. and Hawaiian Sugar Co., who saw that all his employees had a day of pleasure regardless of the outcome and he himself was like a two-year-old and was a very conspicuous

floor manager in the dance pavilion. Paul Peralta also loomed up as a popular man during the day. He was repeatedly called the old man of the ball team of the Crolonas but there were only three hits made during the game by his team and he made two of them and was the only man to reach third base on his side. I think he's still a kid and a lively one at that. His congenial personality and good naturedness during the day made him a big man in the eyes of his associates. Manager Deney of the ball team also did his share of work trying to make it pleasant for the 500 people who followed his team and rooted hard for them. Mr. Deney deserves plenty of credit for the success of the day. F. Powers also officiated in many different ways to make things go well.

Next Sunday the speedy Olympic Club will meet the Boyes team and a good game is assured. A number of the clubmen will auto up Saturday and incidentally be on hand to root for the winged O' players. Among the autoists are Heitmuller, Otto Wallfisch, Harry MacKenzie, Frank Watson and others.

Negotiations are under way now to give Sonoma Valley better baseball. The wise heads predict that if a league is made up of 6 towns namely, Healdsburg, Petaluma, Boyes Springs, Sebastopol, Santa Rosa and San Rafael, that the problem would be solved and perfect ball be the result.

Miss Nell Schmidt, the young Alameda girl that swam the Golden Gate and performed here last season, was a visitor Sunday. After closing a tour on the Pantages circuit, Miss Schmidt purchased for her own use a Regal Roadster in which she burnt up the roads in it Sunday accompanied by her sister. A contract is under way whereby the writer can secure the services of this mermaid to appear Sundays jointly with Miss Desch to give a double exhibition.

The Sonoma team will journey to Cotati tomorrow where it will play a return game with the Cotati Braves. The trip will be made in a large auto bus which will leave Sonoma about 10 a. m. Which shall it be, .855 or .750?

Cotati defeated Glen Ellen in a 11-inning game last Sunday by a score of 6 to 3.

Sonoma defeated the Petaluma Tourists last Sunday, 11 to 4. The game was featured by three home runs, two by the visitors and one by Ralph Evens of the home team. Helberg and Block were the battery for the home team and Adams, Boyesen and Stewart for the visitors.
